Get out of my head. Get out of Get. Out.

Get out of my head before I do what I know is best for you. Get out of my head before I listen to everything she said to me. Get out of my head before I show you how much I love you. Get out of my head before I finish writing this poem.

But a poem is never actually finished. It just stops moving.

THE TRIVIAL NOTIONS SEMINAR

Derived Algebraic Geometry

a talk by **Taeuk Nam**

ABSTRACT

I will give a hopefully accessible introduction to derived algebraic geometry.

Friday, April 21, 2023 11:50am Science Center, Room 232
